Description

Located in Westminster, MD in Carroll County, we are only an hour from either the big city or the beautiful mountains. Your work life balance is very important here. Our progressive AAHA hospital is well equipped with digital radiography, totally integrated with Cornerstone software, surgical as well as therapeutic lasers, VetLogic V5 Ultrasound, complete laboratories, large treatment room, Isolation, and most recently a completely remodeled dental suite as well as opening our own Urgent Care Service. We have an emergency clinic close by, as well as referral facilities and telemedicine consultation available. One of our greatest assets is our caring and compassionate staff. From the welcoming client service to our well-trained veterinary nurses and our animal care staff, we function as a team. Our ten-veterinarian practice provides opportunities for mentoring through collaboration with our experienced clinicians and surgeons. We have, over decades, cultivated an amazing veterinary ethic, a positive work environment, and quality medicine for the clients as well as the community. Our team provides top notch care for the pets, with an emphasis on the balance of work and outside life for our staff.

Our mission is to strive to be the leading veterinary hospital in our area, providing the highest quality medicine to our clients through technology, education, compassion, and teamwork. And being voted “Carroll’s Best” for over 20 years is proof of our dedication!

Responsibilities

Candidates should possess proven client communication skills, have a mature work ethic, and must be a team player. Responsibilities will vary from medical to surgery to wellness exams for small animals. We strive to form client/pet bonds as well as helping the community in various projects.

Job Benefits

In return, we provide a signing bonus, tuition aid options and free financial counseling. Health, dental, and vision insurance, 401K plan, paid dues, licensing fees, paid subscriptions, CE allowance, vacation and personal time, uniform allowance, paid liability insurance, as well as a personal care discount.
